In Central America many natives are gathering the seeds of this plant, Cedron Seed, a rare medicine that has valuable curative powers. But the high cost of the article. Drug stores carry this seed, owing to the high cost of the article. This country is a large consumer of this costly seed because it enters into the famous catarrh remedy, aruna, sold the world over.

Revival Services.

Revival services will begin next Sunday at Bethel, preaching at 11 a. m. and 8 p. m. The pastor will be assisted by Evangelist Lee Starke, formerly of Heathsville, Va., recently from N. Y. City, where he made a decided success in the newspaper business, but under the call of God to preach the Gospel, he surrendered a business paying a handsome income, in order to go out and tell the wondrous story of the Cross.

Recently Mr. Starke has been in Tarboro, N. C. The South-erner speaks of his work in the following language: Evangelist Starke labored faithfully and earnestly while in our midst, and his sermons have been blessed in the conversions of many souls, and in the restoration of backsliders and the reviving of the Christians generally, and it is believed that the good work done during the two weeks of the revival meetings will continue its effectiveness, and the great religious experience and awakening through which Tarboro has passed will live long.

Mr. Starke's fearless and manly manner of preaching together with his intense love for his fellow man has won for him a vast number of friends, who were genuinely sorry to see him leave.

The pastor extends a cordial invitation to all the community to come and hear this gifted preacher of the Gospel.
